

13/04/2019, 06:17 - Kasundi Maneesha: Did you all find out the details for your functions????

13/04/2019, 06:27 - Baratha: Not yet.still searching.

13/04/2019, 06:27 - Kasundi Maneesha: 

13/04/2019, 08:08 - Poornami: I am currently working on that too...

13/04/2019, 08:09 - Chulanga: Let's remove the Map management part if you think it's too complex like including 360 view and all.

13/04/2019, 08:09 - Baratha: yeah that's better

13/04/2019, 08:11 - Baratha: How about adding user management function and a property management function for that ?

13/04/2019, 08:12 - Chulanga: you mean front end management.?

13/04/2019, 08:14 - Baratha:Yeah, pretty much.

13/04/2019, 08:19 - Kasundi Maneesha: No problem

13/04/2019, 08:19 - Kasundi Maneesha: 

13/04/2019, 08:27 - Chulanga:I will do the property management function part.

13/04/2019, 08:27 - Baratha:What is user management function about specifically?

13/04/2019, 08:28 - Chulanga: It's about managing the user profile function like sign in, sign out, user registration etc.

13/04/2019, 08:28 - Baratha:sure . Then I'll do it.

13/04/2019, 08:28 - Kasundi Maneesha: I will do the Search and Preference Management part with Poornami.

13/04/2019, 08:28 - Kasundi Maneesha: Poo i ll do the reference management part..

13/04/2019, 08:29 - Poornami: Sure.I'll help you to do that function.

13/04/2019, 08:29 - Poornami: Anddd i will do the Search Management part.Then there will be no conflicts when developing the function.

13/04/2019, 08:31 - Kasundi Maneesha: I will find about users' preferences

13/04/2019, 08:47 - Kasundi Maneesha: Then lets sortout the results according to the preferences

13/04/2019, 08:47 - Chulanga: I will do the property management part which includes adding information about the real estate renting details etc. like the number of rooms available

13/04/2019, 08:48 - Baratha: I will take user management part then.

13/04/2019, 08:48 - Chulanga: You can also include bookmark and save the property that user like.

13/04/2019, 08:48 - Baratha:Like bookmarking the favorite??

13/04/2019, 08:49 - Chulanga:Yes , the customers can bookmark and save the functions to refer later.

13/04/2019, 08:49 - Baratha:Then I'll add that part too.

13/04/2019, 09:31 - Kasundi Maneesha: Shall we divide parts of Home GUI ??????

13/04/2019, 09:35 - Poornami: 

13/04/2019, 09:35 - Poornami: Yeah...Since it is the main GUI it's better to divide the Home Page.

13/04/2019, 09:36 - Kasundi Maneesha: Yes..I think sooo

13/04/2019, 09:49 - Poornami: Hmm..Then I will find about design techniques and design requirements for home page.And i'll note down the things i found.

13/04/2019, 09:52 - Chulanga: I will design the home gui
13/04/2019, 09:58 - Kasundi Maneesha: Okay.Then i will find the main theme for the system
13/04/2019, 09:58 - Kasundi Maneesha: 😊
13/04/2019, 09:58 - Poornami: That will do
13/04/2019, 09:58 - Baratha: I will integrate Gui's into one system and connect each of them
13/04/2019, 09:59 - Poornami: We will help you for that part.It's sort of difficult noh
13/04/2019, 10:10 - Kasundi Maneesha: Sureee
13/04/2019, 10:12 - Chulanga: 👍

13/04/2019, 12:10 - Poornami: <Media omitted>
13/04/2019, 12:30 - Kasundi Maneesha: 🕒
13/04/2019, 12:30 - Poornami: Did you guys check out this announcement?
13/04/2019, 12:30 - Kasundi Maneesha: Yes we have to start it also
13/04/2019, 12:30 - Kasundi Maneesha: we will discuss it later
13/04/2019, 12:30 - Kasundi Maneesha: 😊
13/04/2019, 13:52 - Baratha: See..
13/04/2019, 13:52 - Baratha: 😊
13/04/2019, 13:53 - Poornami: 😢
13/04/2019, 14:04 - Chulanga: we will meet next week👉
13/04/2019, 14:04 - Kasundi Maneesha: okay
13/04/2019, 14:04 - Poornami: Then we can discuss about it
13/04/2019, 14:19 - Baratha: Fine
13/04/2019, 14:19 - Baratha: 🙋♀️
